

WHEREAS, engineers use their scientific and technical knowledge and skills to create innovative ways to fulfill society's needs; and

WHEREAS, engineers face the major technological challenges of our time ranging from rebuilding towns devastated by natural disasters to designing the information superhighway that will speed our country into this new century; and

WHEREAS, engineers are encouraging our young math and science students to realize the practical power of their knowledge and skills to meet the ever-changing challenges of the future; and

WHEREAS, engineers lead and represent numerous local engineering and technical societies, academia and industry; and

WHEREAS, engineers promote the engineering profession by bringing engineering societies together and informing the public about engineering and its benefits to society.

NOW, THEREFORE BE IT PROCLAIMED that the Mayor and Town Council of the Town of Davie do hereby proclaim February 20 through 26, 2005 as:

“NATIONAL ENGINEERS WEEK”

in the Town of Davie in recognition of the contributions of engineers and wishing engineers continued support in their efforts to benefit the world.

IN WITNESS WHEREOF, I have hereunto set my hand this 16th day of February, 2005.

Tom Truex, Mayor
